- **COPA studies and Reports**
- **Events & News**
- **Call for Ideas for Projects Activities**

- 1. Session introduction**
Adrian Bukmanis/ TWG FM Vice-Chair

How do we finance refrigerant mitigation projects

...without adverse effects elsewhere?

Tonne-for-tonne exchange raises questions

...especially for refrigerants

- **Additionality**
- **Over-crediting**
- **Trading short-lived for long-lived GHGs**
- **Low-GWP fluorinated refrigerants (i.e. HFOs)**
